NOTICE OF APPEAL

As a precautionary measure, Applicants hereby submit this Notice of Appeal in response to the Final Office Action mailed August 9, 2006, in the above-referenced application. Although Applicants have spoken with personnel of the USPTO, including the Examiner in the present case, who have stated that the Application's status is allowed, because the six-month statutory period for the Notice of Appeal runs from the final rejection date (in this case, August 9, 2006),

and because Applicants have not yet received the Notice of Allowance, Applicants feel compelled to submit this Notice of Appeal to unambiguously keep this case pending.

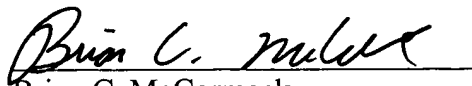

Applicants note that although apparently the USPTO docketing system shows a Notice of Allowance in the case, at least according to USPTO personnel, PAIR still shows the application's status as "Response after Final Action Forwarded to Examiner." The six-month statutory deadline ends after today, February 9, 2007, and so Applicants are accordingly submitting this Notice of Appeal out of an abundance of caution. This Notice of Appeal is timely because it is being submitted within the six-month statutory period.

Because Applicants submitted an Amendment and Terminal Disclaimer on August 11, 2006 in response to the Final Office Action and within the two-month shortened period for response under M.P.E.P. 706.07(f), the two-month shortened period was tolled until the mailing of an Advisory Action, which never came. Because the shortened period was tolled and never ended, no extension fees are due in the present case, and Applicants further respectfully submit that the \$250 fee submitted with this Notice of Appeal should not be applied if, as is probable, the present Application is and has been allowed. Again, as a cautionary measure, this Notice of Appeal and a check in the amount of \$250 are enclosed herewith. In the event that extension fees are required to complete this filing, or if any other fees are due to maintain the pendency of the present application, the Office is authorized to charge those fees to Deposit Account No. 13-0480, referencing Attorney Docket No. 68131261-001101.

Should the Examiner have any questions or wish to discuss this matter, a telephone conference with the below-listed attorney is greatly appreciated.

Respectfully submitted,

Date: 2/9/2007

Brian C. McCormack
